

Something is lurking in Banstead Woods,  
something evil that is destroying it's very  
foundations...

*Rhododendron ponticum!*

...maybe you can help us get rid of this  
invasive plant?

Come and join the Downlands Project for a  
fun day out, restoring the woods to their  
former glory. Barbecue included.

Sunday 1st February 2009 10am-4pm  
Phone 01737 737700 for details.
